In this document 'Parent' means:

- All natural parents, whether married or not

- Any person who has parental responsibility for a child or young person

- Any person who has care (is a carer) of a child or young person (i.e. lives with and looks after the child)

1.   Introduction

All Cambrian Learning Trust schools recognise the importance of attendance and punctuality in enabling pupils to achieve their maximum educational potential. We aim for an environment of belonging, where pupils can feel welcomed and safe at school and which enables and encourages all members of the community to reach out for excellence. For pupils to gain the greatest benefit from their education it is vital that they attend regularly and your child should be at school, on time, every day the school is open unless the reason for the absence is unavoidable.

XXXXXXX is a successful school and your child plays their part in making it so. At XXXXX, we firmly believe the foundation of securing good attendance is that our school is a calm, safe, nurturing and supportive environment where all pupils want to be and are ready to learn.

We recognise that improving attendance is everyone's responsibility. We understand some pupils find it harder than others to attend school and therefore at all stages of improving attendance, we want to work with pupils and families to remove any barriers by building strong and trusting relationships and working together to put the right support in place.

Securing good attendance relies on effective practices for improvement being in place. These practices will involve close interaction with all areas of school life such as: curriculum, behaviour, anti-bullying, safeguarding, special educational needs support, pastoral support, mental health & wellbeing, and effective use of resources, including pupil premium.

Attendance is the essential foundation to positive outcomes for all pupils and should therefore be seen as everyone's responsibility in school; it must be a concerted effort across not only pupils and their families but also all staff in school, the local governing committee (LGC), the Trust, the Local Authority, and other local partners.

It is very important therefore that you make sure that your child attends regularly and this Policy sets out how together we will achieve this.

2.　Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on working together to improve school attendance (applies from 19 August 2024), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Creating positive culture and embedding a sense of belonging
- Reducing absence, including persistent and severe absence
- Early intervention/support to address barriers to attendance
- Building strong relationships with families to make sure pupils have the support in place to attend school

3.　Legislation

This policy is based on the Department for Education's (DfE's) statutory guidance on working together to improve school attendance (applies from 19 August 2024) and school attendance parental responsibility measures.

4.　Why Regular Attendance is so important

Any absence affects the pattern of a pupils successful schooling and regular absence will seriously affect their learning. Any pupil's absence disrupts routines so may not only affect the learning of themselves but also the learning of others in the same class. Children are best safeguarded from exploitation and other risks in the wider community by attending school regularly where they are supervised by qualified and caring professionals.

Ensuring your child's regular attendance at school is the parents' legal responsibility and permitting absence from school without a good reason creates an offence in law and may result in prosecution

	Time in School Lost	
Pupil Attendance	**Days**	**Weeks**
95%	9.5	1 week, 4 ½ days
90%	19.5	3 weeks, 4 ½ days
85%	28.5	5 weeks, 3 ½ days
75%	47.5	9 weeks, 1 ½ days

5. Promoting Regular Attendance

Helping to create a pattern of regular attendance is everybody's responsibility - parents, pupils and all members of school staff.

To help us all to focus on this we will:

- Give you details on attendance in our newsletters

- Report to you at least half-termly on how your child is performing in school, what their attendance and punctuality rate is and how this relates to their attainments;

- Celebrate good attendance;

- Run promotional events when parents, pupils and staff can work together on raising attendance levels across the school.

5.1. School Targets, projects and initiatives

XXX school has targets to improve attendance and your child has a very important part to play in meeting these targets.

Targets for the school and for classes are displayed in the school and you should take time to study them.

The target level of attendance for this school is 96% *(primary)* 94% *(if secondary)* and we will keep you updated regularly about progress to this level and how your child's attendance compares.

Our target is to achieve better than this however because we know that good attendance is the key to successful schooling and we believe our pupils can be amongst the best in Oxfordshire.

Through the school year we monitor absences and punctuality to show us where improvements need to be made.

Information on any projects or initiatives that will focus on these areas will be provided in our Home - School bulletin and we ask for your full support.

We analyse all absence carefully and draw trends based on pupils' characteristics, vulnerabilities, days of the week, subjects missed and repeat illnesses. We focus our attention on addressing these trends of absence.

6. Understanding types of absence

Every half-day absence from school has to be classified by the school (not by the parents), as either AUTHORISED or UNAUTHORISED. This is why information about the cause of any absence is always required, preferably in writing.

Authorised absences are mornings or afternoons away from school for a good reason like illness, medical/dental appointments which unavoidably fall in school time, emergencies or other unavoidable cause. If this occurs, school will require evidence of the appointment to be able to authorise the absence.

Unauthorised absences are those which the school does not consider reasonable and for which no "leave" has been given. This type of absence can lead to the Local Authority (County Attendance Team) using sanctions and/or legal proceedings. This includes:

- Parents/carers keeping children off school unnecessarily

- truancy before or during the school day

- absences which have never been properly explained

- children who arrive at school late after the register has closed and are therefore given an unauthorised absence mark

- shopping, looking after other children or birthdays

- day trips and holidays in term time which have not been agreed

- excessive illness without medical evidence

Whilst any child may be off school because they are ill, sometimes they can be reluctant to attend school. Any problems with regular attendance are best resolved between the school, the parents and the child. If your child is reluctant to attend, never cover up their absence or to give in to pressure to excuse them from attending. This gives the impression that attendance does not matter and usually make things worse.

You can support your child by:

- Promoting positive sleep

- Helping with homework

- Having uniform and equipment prepared the night before

- Providing a healthy breakfast

- Reporting any academic or social concerns promptly

- Retaining open & honest communication with your child's school

- Being positive about school (even if your own experience was less than positive)

6.1. Persistent Absenteeism (PA)

A pupil becomes a 'persistent absentee' when they miss 10% or more schooling across the school year for any reason. Absence at this level is doing considerable damage to any child's educational prospects and we need parents fullest support and co-operation to tackle this.

We monitor all absence thoroughly. Any child that is seen to have reached the PA threshold or is at risk of moving towards that threshold is given priority and parents will be informed of this immediately.

PA pupils are tracked and monitored carefully through our pastoral / attendance system and we also combine this with academic mentoring where absence affects attainment.

All our PA pupils and their parents are subject to an Action Plan and the plan may include allocation of additional support through a Mentor or an LSA, use of circle time, individual incentive programmes and participation in group activities around raising attendance. All PA cases are also automatically made known to the County Attendance team. If your child becomes a PA pupil, we will seek your consent to complete a Strengths and Needs form with you and consider convening a Team Around the Family.

6.2. Severe Absenteeism (SA)

A pupil becomes a 'severe absentee' when they miss 50% or more schooling across the school year for any reason. Absence at this level is doing significant damage to any child's academic and social progress will can have lifelong consequences. All SA pupils at our school will have an Individual Attendance Plan which will incorporate multi-agency input. Parents will be expected to engage with all partners to improve your child's attendance to 96+%. SA pupils are our highest priority at our school.

7. Lateness

Poor punctuality is not acceptable. If your child misses the start of the day they can miss work and are not able spend important time with their class teacher receiving vital information and news for the day. Late arriving pupils may also disrupt lessons for others, it can be embarrassing for the child and can also encourage future absence.

7.1. How we manage time keeping

The school day starts at ==xxx a.m.== and we expect your child to be in class at that time. If your child arrives to school and registration as expected, they will receive a present mark (**I**).

Registers are marked by ==xxx a.m.== and your child will receive a late mark **(L)** if they are not in by that time.

At ==xxx a.m.== the registers will be closed. In accordance with the Regulations, if your child arrives after that time they will receive a mark **(U)** that shows them to be on site, but this will **not** count as a present mark and it will mean they have an unauthorised absence. This may mean that you could face the possibility of a Penalty Notice if the problem persists.

Whilst there is no mandatory time for **pm** registration, our school will seek to take the register directly following the lunchtime period at ==xxxx pm== in order to support safeguarding and early identification of pupils who are Late to return or whom do not return. If your child is present for this registration they will be marked **(\ )**

If your child has a persistent late record you will be asked to meet with ==a member of the School Leadership Team and/or Attendance Officer== to resolve the problem, but you can approach us at any time if you are having problems getting your child to school on time.

8. Exceptional Leave

Taking holidays in term time will affect your child's schooling as much as any other absence and we expect parents to help us by not taking children away in school time. Remember that any savings you think you may make by taking a holiday in school time are offset by the cost to your child's education.

There is **no** automatic entitlement in law to time off in school time to go on holiday and the school may request for a Penalty Notice to be issued.

1. It is widely known that the link between a pupil's attendance and attainment is irrefutable.
2. Early poor attendance habits follow through into secondary school, further education and employment.
3. All schools in Oxfordshire are encouraged to adopt a policy of not authorising requests for holidays.
4. The Head Teacher or designated representative will meet personally with every family applying for Exceptional Leave to stress the importance of good school attendance habits and links between attendance & attainment.

5. Exceptional leave is most unlikely to be authorised when a pupil's attendance is less than 96%.

6. Exceptional leave should always be refused when school is aware of any truancy.

7. Exceptional leave should always be refused when requests are regular (annual) or when patterns become identifiable.

8. Reasons for Exceptional Leave should be logged on the pupil's record and shared as part of the transfer/transition process.

The Penalty is £80 if paid within 21 days of receipt of the notice, increasing to £160 if paid between day 21 and day 28. This amount is prescribed by the Education Penalty Notices (England) Regulations 2007. Failure to pay a Penalty Notice within the prescribed period may result in prosecution for the underlying offence of failure to secure regular school attendance

Any second penalty notice issued to the same parent for the same child within a rolling 3 year period will be charged at a higher rate of £160 with no option for this second offence to be discharged at the lower rate of £80. (The three-year period begins from the date of the first penalty notice issued on or after 19 August 2024).

Please note: Penalty Notices are issued per parent/per child

9. Absence Procedures

If your child is absent you must:

- Contact us as soon as possible on the first day of absence with the reason for the nonattendance.

- Or you can call into school and report to reception, who will arrange for a member of staff to speak with you.

- Be honest about the reason for absence including if you are on holiday.

If your child is absent we will:

- Telephone or text you on the first day of absence if we have not heard from you;

- Visit you at home if we have not heard from you by day 3 of absence;

- Follow School Attendance processes including inviting the parent/carer to a meeting in the school to identify the barriers to attendance and ensure support is put in place.

- Offer a Strengths and Needs form

- Gain the voice of the child to ensure we are taking a child centred approach.

- ==Refer the matter to the County Attendance Team if attendance moves below 90%==

10. Contact details

There are times when we need to contact parents about lots of things, including absence, so we need to have your current contact numbers and email addresses at all times. Please help us to help you and your child by making sure we always have an up to date number and email address – if we don't then something important may be missed. There will be regular checks and reminders regarding contact details throughout the year. Please ensure we have both parents and at least a third emergency set of contact details.

11. The County Attendance Team

Parents are expected to contact school at an early stage and to work with school staff in resolving any problems together. This is nearly always successful. If difficulties cannot be sorted out in this way, the school may refer the child to the County Attendance Team at Oxfordshire County Council for consideration of legal proceedings.

At the school's request, they may issue a Penalty Notice per parent/carer, or take action via a Non-Attendance referral, the legislation is the Education Act 1996 sec. 444(1) and 444(1A).

The County Attendance Team, alongside school, will encourage parents to engage with a Strengths and Needs form. Education Supervision Orders may be discussed with parents to support rapidly improved attendance.

Parents that have previously been issued with Penalty Notices for their children's unauthorised absences, in the event of further unauthorised absences may receive summonses to Court.

Alternatively, parents or children may wish to contact the County Attendance Team themselves to ask for help or information. They are independent of the school and will give impartial advice. Their telephone number is 01865 323513 and email is attendance@oxfordshire.gov.uk

Here at XXXXXXX, we continually promote the effects of good attendance at school; we set high expectations for every pupil, communicate these expectations clearly and consistently to pupils and parents, systematically analyse our data to identify patterns and target improvements and work effectively with the local authority to overcome barriers to attendance. We appreciate attendance is never 'solved' and the improvement of this is a continuous process.

XXXXXX school has targets to improve attendance and your child has an important part to play in meeting these targets. Targets for the school and for classes are displayed in the school and you should take time to study them.

The target level of attendance for XXXXX school is 96% *(if primary)* /94% *(if secondary)* and we will keep you updated regularly about progress to this level and how your child's attendance compares. Our target is to achieve better than this however, because we know that good attendance is the key to successful schooling and we believe our pupils can be among the best in Oxfordshire.

Appendix B: Working together to improve attendance

(taken from DfE Guidance)

13. Successfully treating the root causes of absence and removing barriers to attendance, at home, in school or more broadly requires schools and local partners to work collaboratively with, not against families. All partners should work together to:

EXPECT

Aspire to high standards of attendance from all pupils and parents and build a culture where all can, and want to, be in school and ready to learn by prioritising attendance improvement across the school.

MONITOR

Rigorously use attendance data to identify patterns of poor attendance (at individual and cohort level) as soon as possible so all parties can work together to resolve them before they become entrenched.

LISTEN AND UNDERSTAND

When a pattern is spotted, discuss with pupils and parents to listen to understand barriers to attendance and agree how all partners can work together to resolve them.

FACILITATE SUPPORT

Remove barriers in school and help pupils and parents to access the support they need to overcome the barriers outside of school. This might include an early help or whole family plan where absence is a symptom of wider issues.

FORMALISE SUPPORT

Where absence persists and voluntary support is not working or not being engaged with, partners should work together to explain the consequences clearly and ensure support is also in place to enable families to respond. Depending on the circumstances this may include formalising support through a parenting contract or education supervision order.

ENFORCE

Where all other avenues have been exhausted and support is not working or not being engaged with, enforce attendance through statutory intervention or prosecution to protect the pupil's right to an education.

(Aug 2024)

All Pupils

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Ensure their child attends every day the school is open except when a statutory reason applies. Notify the school as soon as possible when their child has to be unexpectedly absent (e.g. sickness). Only request leave of absence in exceptional circumstances and do so in advance. Book any medical appointments around the school day where possible	Have a clear school attendance policy on the school website which all staff, pupils and parents understand. Develop and maintain a whole school culture that promotes the benefits of good attendance. Accurately complete admission and attendance registers. Have robust daily processes to follow up absence. Regularly monitor data to identify patterns and trends and understand which pupils and pupil cohorts to focus on. Have a dedicated senior leader with overall responsibility for championing and improving attendance.	Take an active role in attendance improvement, support their school(s) to prioritise attendance, and work together with leaders to set whole school cultures. Ensure school leaders fulfil expectations and statutory duties. Use data to understand patterns of attendance, compare with other local schools, identify areas of progress and where greater focus is needed. Ensure school staff receive training on attendance.	Have a strategic approach to improving attendance for the whole area and make it a key focus of all frontline council services. Have a School Attendance Support Team that works with all schools in their area to remove area-wide barriers to attendance. Provide each school with a named point of contact in the School Attendance Support Team who can support with queries and advice. Offer opportunities for all schools in the area to share effective practice

Pupils at risk of becoming persistently absent

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Work with the school and local authority to help them understand their child's barriers to attendance. Proactively engage with the support offered to prevent the need for more formal support	Proactively use data to identify pupils at risk of poor attendance. Work with each identified pupil and their parents to understand and address the reasons for absence, including any in-school barriers to attendance. Where out of school barriers are identified, signpost and support access to any required services in the first instance. If the issue persists, take an active part in the multi-agency effort with the local authority and other partners. Act as the lead practitioner where all partners agree that the school is the best placed lead service. Where the lead practitioner is outside of the school, continue to work with the local authority and partners.	Regularly review attendance data and help school leaders focus support on the pupils who need it	Hold a termly conversations with every school to identify, discuss and signpost or provide access to services for pupils who are persistently or severely absent or at risk of becoming so. Where there are out of school barriers, provide each identified pupil and their family with access to services they need in the first instance. If the issue persists, facilitate a voluntary early help assessment where appropriate. Take an active part in the multi-agency effort with the school and other partners. Provide the lead practitioner where all partners agree that a local authority service is best placed to lead. Where the lead practitioner is outside of the local authority, continue to work with the school and partners.

Persistently absent pupils

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Work with the school and local authority to help them understand their child's barriers to attendance. Proactively engage with the formal support offered – including any parenting contract or voluntary early help plan to prevent the need for legal intervention.	Continue support as for pupils at risk of becoming persistently absent and: Where absence becomes persistent, put additional targeted support in place to remove any barriers. Where necessary this includes working with partners. Where there is a lack of engagement, hold more formal conversations with parents and be clear about the potential need for legal intervention in future. Where support is not working, being engaged with or appropriate, work with the local authority on legal intervention. Where there are safeguarding concerns, intensify support through statutory children's social care. Work with other schools in the local area, such as schools previously attended and the schools of any siblings.	Regularly review attendance data and help school leaders focus support on the pupils who need it.	Continued support as for pupils at risk of becoming persistently absent and: Work jointly with the school to provide formal support options including parenting contracts and education supervision orders. Where there are safeguarding concerns, ensure joint working between the school, children's social care services and other statutory safeguarding partners. Where support is not working, being engaged with or appropriate, enforce attendance through legal intervention (including prosecution as a last resort).

Severely absent pupils

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Work with the school and local authority to help them understand their child's barriers to attendance. Proactively engage with the formal support offered – including any parenting contract or voluntary early help plan to prevent the need for legal intervention.	Continued support as for persistently absent pupils and: Agree a joint approach for all severely absent pupils with the local authority.	Regularly review attendance data and help school leaders focus support on the pupils who need it.	Continued support as for persistently absent pupils and: All services should make this group the top priority for support. This may include a whole family plan, consideration for an education, health and care plan, or alternative form of educational provision. Be especially conscious of any potential safeguarding issues, ensuring joint working between the school, children's social care services and other statutory safeguarding partners. Where appropriate, this could include conducting a full children's social care assessment and building attendance into children in need and child protection plans.

Monitoring

Schools regularly update parents on their child's attendance. (If parents feel the school and/or local authority have not delivered what they are expected to they should discuss the case with the school and/or local authority's attendance support team.)	The school's Senior Attendance Champion will ensure all school based staff complete their attendance responsibilities in line with the school's policies and procedures. The governing board or academy trust will hold the headteacher or executive leadership to account for their delegated responsibilities and for compliance with regulatory and statutory requirements. They will review progress and provide challenge when required. The board will help school leaders focus improvement efforts on the individual pupils or cohorts who need it most and ensure that school staff receive adequate training on attendance. Ofsted will expect schools to do all they reasonably can to achieve the highest possible attendance as part of the behaviour and attitudes judgement. This includes, where attendance is not consistently at or above what could reasonably be expected, that schools have a strong understanding of the causes of absence (particularly for persistent and severe absence) and a clear strategy in place that takes account of those causes to improve attendance for all pupils. Ultimately, in cases where a school has not met expectations or statutory duties the Secretary of State can consider a complaint.	DfE Regions Group considers multi academy trusts' efforts on attendance as part of decision making. Ofsted considers governing bodies' efforts as part of inspections.	DfE Regions Group monitors local authority efforts as part of regular interaction. Ofsted may consider the local area partnership's approach to improving attendance of children and young people with SEND as part of the SEND Area Inspection, and the local authority's approach to improving attendance for children with a social worker through inspecting local authority children's services. Ultimately, in cases where a local authority has not met expectations or statutory duties the Local Government and Social Care Ombudsman or the Secretary of State can consider a complaint.
